

## Eigenschaften:

- 1) Leicht zu reinigende Oberfläche mit fluoriszierender Kunststoffbeschichtung
- 2) An Handinnenfläche angepaßter ergonomischer Griff
- 3) 2 große Schrauben halten die Schaberklingen verlässlich

## HB-Klinge:

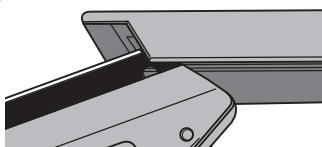

The H-type blade is 40% thicker and 38% wider than L-type blades. This new blade supports your heavy duty task !

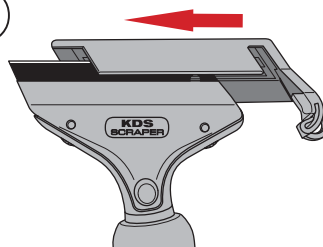

\*H-type is dedicated blades for GG Scraper series.
